I declare that all statements and answers in this application are true and complete in all respects. I acknowledge and agree that any false statement, omission, concealment, or failure to answer any question fully, completely and accurately will be grounds for terminating my employment irrespective of when the information is discovered.

If employed, I agree to read the Fitness for Work Policy and comply with all company rules, regulations and policies whether set forth in the Fitness for Work Policy or otherwise. The Company, in its sole discretion, may amend, change, modify or delete its rules, regulations and policies at any time.

I understand that after I receive a conditional offer of employment, my employment may be subject to my taking a physical exam, at Company expense, that may include a functional capacity exam, on which I must demonstrate at least the minimum capacity to perform the essential functions of the job, with or without reasonable accommodations. I also acknowledge that after I receive such offer of employment, I must successfully pass a drug and alcohol screening test at the Company's expense. I agree to sign any necessary consent forms to take such tests and to obtain their results. I understand that, for valid business purposes, it may be necessary for the Company to have me begin working prior to the time I take such exams/tests or their results are received by the Company. I agree that even though I may take said exams/tests shortly after I begin working for the Company, my continued employment with the Company is contingent upon my successfully passing said exams/tests.

I agree that upon termination of my employment I will return all Company property and records in my possession.

I understand that all employees of the Company are employees at will and that if employed, my employment with the Company may be terminated at any time with or without reason or notice.
